A Publication of Livingston Memorial Visiting Nurse Association

We depend on your generosity and compassion to provide home health and hospice care for Ventura County's underinsured and uninsured. Last year, 1,562 donors supported our mission, and every single gift made a difference. This newsletter is dedicated to you. Thank you for making our community a kinder more caring place to live for the sick, handicapped, elderly and homebound.

CORPORATE PARTNERS

# Healthy Bank Supports Healthy Community

**A**ffinity Bank is one of Livingston's most loyal and generous corporate contributors. **Dick Fausset**, Affinity's Chairman of the Board, introduced the bank to Livingston's mission of quality home healthcare and compassionate hospice. Dick would know, having served at one time on Livingston's Board of Directors. The match has been good for both. Since 1997 the bank has made over \$80,000 worth of gifts to the local Visiting Nurses.

Affinity Bank's **David Stepp**, Senior Vice President, Director of Marketing, explains it simply, "We like what Livingston is all about so we try to find ways to support them." And, the bank's involvement goes beyond writing

checks. At Livingston's annual Light-Up-A-Life event to support hospice services for the under and uninsured, Mr. Stepp is a regular reader of names of those being remembered.

Recently the bank's relationship with Livingston became even closer. **Carol Mathieu**, Senior Vice President, Director of Human Resources, joined the Livingston Development Committee.

Before Carol's father, Morris, passed away, the family had a brief, but impressionable experience with care givers and hospice. "I still remember the relief on Mom's face when the care givers and nurses arrived. That's what Livingston gives and I wanted to be a volunteer ambassador for the organization."

*Thank you Dick, thank you David, thank you Carol, thank you Affinity Bank.*

Giving back to the community, David Stepp, Carol Mathieu and Dick Fausset.

## A Message From The Chairman

Livingston is known community wide for its professionalism and compassionate care. Word-of-mouth has always been Livingston's most effective promotion.

Next is our commitment to cost efficient operations. We have assembled a staff dedicated to effective and efficient business practices. The entire operation is overseen by a volunteer Board of Directors, combining the expertise of medicine, nursing, law and business.

The ultimate key to our survival, however, is all of you dedicated folks – individuals, businesses and foundations – many of you who go back almost to our inception. Your loyalty and generous support, along with the large numbers of our selfless and committed volunteers, have ensured that we remain strong. Because of you we continue to be, for many patients, their only hope for home health and hospice care.

### **WE THANK YOU ALL!**

Charles M. Hair, MD  
*Chairman of the Board*

The purpose and goal of Livingston Memorial Visiting Nurse Association is to provide high quality comprehensive home health and hospice care to Ventura County patients regardless of their ability to pay. Since 1947, we have maintained our commitment to this mission.

Given the extreme nursing shortage, the ever increasing cost of providing health care, and the increased numbers of "for profit" agencies that provide little or no subsidized care, how do we continue to thrive? First of all, by getting our message out to the community.

## A Message From The President

## Donors Make a Difference

For over 60 years, Livingston has provided professional health care services in the home to citizens of Ventura County regardless of their ability to pay. Donor funds are used to support the care of people who have no medical insurance and cannot afford the cost of services.

Livingston home healthcare provides nurses and rehabilitation specialists to patients' homes to supplement or replace care that would otherwise require them to be in a hospital. This allows the patient to recover at home avoiding the risks and costs of hospitalization.

### FLESH EATING BACTERIA

Barry (*patient names and locations have been changed*) is a 41 year old man living in Santa Paula. He is a single parent with three children. Barry works two jobs for which he does contract services and neither provides health insurance. In January he began having body aches accompanied with vomiting. Within two days he developed a painful rapidly spreading rash on his upper thigh. Barry sought medical attention. He was diagnosed with a bacterial "flesh eating" infection that required immediate surgery. Subsequently his kidneys failed and he needed dialysis. His hospital care lasted weeks and drained all of his financial resources. After discharge, Barry needed home care from Livingston nurses for his wounds and dialysis catheter.

Livingston therapists are also helping him to regain his muscle strength so he can return to work.

It is your support that allows us to care for and help Barry in his recovery.

Livingston Hospice provides the healthcare team patients and their families need to have a peaceful and dignified death at home.

### A FAMILY IN NEED

Nancy is 54 years old and lives with her husband and daughter in Oxnard. Nancy's family income is limited and they have no health insurance. In January 2008 she was found to have widely metastatic lung cancer. She was treated aggressively with chemotherapy, but without success. In early February of this year, we were asked to help Nancy with hospice services. Our hospice team responded to meet her needs for comfort and support. Nancy and her family will have compassionate Livingston Hospice care as her life comes to an end.

### TOGETHER FOREVER

Gold Coast CareGivers, a subsidiary of Livingston, provides trained and licensed staff for patients who need help with their daily personal needs. We are helping George in Thousand Oaks care for his wife Elizabeth. Elizabeth is 88 years old and has Alzheimer's. George is also in his eighties and has been her caregiver and support for many years. They have no family help and limited funds to pay for services. As her needs have increased, we have provided weekly caregivers to support George. We help with his wife's bathing and grooming needs. With respite support, George continues to provide for Elizabeth's care at home.

In each of these cases, and many others, the patients and their families are forever grateful for the help we give them. We are forever grateful to you, who provide us the financial support that makes this care possible. We cannot do this without you.

From our patients, staff, and me personally—thank you!

Lanyard K. Dial, MD  
President/CEO and Medical Director

## A Heartfelt Hospice Inspires Donor

A transformative Livingston Hospice experience turned **Fred and Dorothy Penney** into advocates and supporters of Livingston Memorial Visiting Nurse Association. Like many donors, the Penneys first became aware of the Visiting Nurse Association when a family member was dying and hospice care was prescribed by a physician.

In 2002, Fred's mother Beverlee was in the final stages of a losing battle with cancer. She had stubbornly fought it for years. However, when the disease metastasized to her brain, the end was not far off. And, "Mom wanted to die at home," said Fred.

Livingston's Visiting Nurses came into his parent's home and "eased the fear of the unknown," said Fred. In addition to the psychic benefits, the nurses helped Fred and his father with the practical aspects of caring for a bed and homebound hospice patient. The care giving and loss of a wife and mother brought father and son closer together.

Consortium Media Services

On behalf of the Ventura County Contractors Association, Director Fred Penney presents Livingston's Development Director, Marc Wilde, with a generous \$1,500 donation.

Fred has become an ardent supporter and donor. His giving includes personal gifts; matched giving from his employer, **Nye & Nelson, Inc.**; advocacy to the **Ventura County Contractors Association** for gifts to Livingston; and finally, he and Dorothy have named Livingston Memorial Visiting Nurse Association as a remainder beneficiary in their will.

Fred said, "The Visiting Angels were kind to us and we hope to help others have the same experience."

## DISTINGUISHED DONORS

### Family Gives as One

"Our family has been blessed," says Sean McGrath, of his family's ability to share with those in need.

The **Frank McGrath, Jr. Family** made a \$50,000 gift to Livingston Memorial Visiting Nurse Association's 60<sup>th</sup> Anniversary Gala Celebration honoring Charles M. Hair, MD. The gift was made as a family too. Brothers **Sean, Tom**

and mother **Lee** all contributed to reach the \$50,000 mark and make the gift in their late father and husband's name.

The generous gift was intended to provide compassionate hospice care, which "is important to us," said Sean. Who added, "We wanted to provide care in a time of need that is a bit magical."

When asked about the donation, Sean said his family hoped to, "Help individuals and families find their final

comfort, and handle death and the passing of a loved one in their own way."

"It's we who are blessed to have supporters and friends like Lee and her sons Sean and Tom," says Livingston Board Chair, Charles M. Hair, MD.

Tom McGrath, Judy Hair, Diane and Sean McGrath enjoy Livingston's 60<sup>th</sup> Anniversary Gala Celebration.

*It is the generous giving of donors like the Frank McGrath, Jr. Family that have sustained Livingston Memorial Visiting Nurse Association for over 60 years. Donors who give amounts of \$1,000 and greater are recognized as Livingston Distinguished Donors.*

# Thank you donors!

**NOVEMBER 2008 - FEBRUARY 2009**

Livingston Memorial Visiting Nurse Association gratefully acknowledges the following individuals, foundations, businesses, institutions and community organizations for their generosity. It is the loyalty of our many supporters that allow us to continue our mission of providing high quality home healthcare and compassionate hospice.

Honoring and recognizing our donors is very important to us. We apologize for any omissions and/or errors. Please call Susan Mercer at (805) 642-0239 x607 to update us with any changes, corrections or preferences. Your support is greatly appreciated!

## A MESSAGE ABOUT PLANNED GIVING

# How to Leave a Livingston Legacy

You've made the decision to include Livingston Memorial Visiting Nurse Association in your will. For clarity and to avoid confusion we recommend the following language:

**"I give, devise, and bequeath to Livingston Memorial Visiting Nurse Association, a 501(c)(3) tax-exempt organization, federal tax identification number 95-1693538, for its general purposes, all [or specify fraction or percentage of estate] of the rest, residue, and remainder of my estate, both real and personal."**

Or

**"I give, devise, and bequeath to Livingston Memorial Visiting Nurse Association, a 501(c)(3) tax-exempt organization, federal tax identification number 95-1693538, for its general purposes, the sum of \$\_\_\_\_\_ [or a description of the real property, securities, or valued asset]."**

We recommend you have an attorney review your will to ensure it conforms to the probate laws of California or the state where you live. If you do not have an attorney, at your request, we can provide you with a planned giving resources list that includes estate and tax planning attorneys.

This information is offered to you as a donor courtesy. For more information, please contact me at 805-642-0239 x603 or mwilde@livingstonvna.org.
